

6 July 2010

Good afternoon

Judging for the Target 2020 competition took place at VACC on Friday 2 July. The standard of entries was exceptional and the judges did not have an easy task to choose the successful person in each category.

The winners will be announced and presentations made at a special event to take place within a few weeks to which all entrants, their parents, teacher (or school representative) and special guests will be invited to attend. We will formally invite you as soon as plans have been finalised.

In the meantime, could you please make arrangements to collect your entry from VACC by the end of this week.

Please contact Maxene Gladman 03 9829 1281 if you have any queries.

Kind regards

DAVID RUSSELL
Senior Manager
Government, Public Affairs and Media
